Prices, equipments
and technical specifications E & OE

Prices applicable from January 2026

RANGE

ALLURE

- Peugeot i-Cockpit® with digital 10" cluster
- VisioPark 2: HD rear and front cameras and blind spot detection with door sills lighting
- Adaptive cruise control & ACC30 with lane keeping assist
- Adaptive cruise control with Stop and Go function (HIA) with lane keeping and positioning assist
- Electrochrome rear view mirror with frame
- Gloss black roof bars
- 17" 'Karakoy' diamond alloy wheels
- High console with armrest & electric parking brake
- Central front armrest with storage compartment
- Tri-material 'Casual Lomsa' embossed fabric, leather effect and cloth seat trim with Quartz stitch detail

GT

Equipment in addition to ALLURE

- Peugeot upper Full LED Technology headlamps with 3-claws LED daytime lights
- VisioPark 2: HD front and rear cameras with touchscreen display of front, rear views and 360° view
- Adaptive cruise control with Stop and Go function (HIA) with lane keeping and positioning assist
- PEUGEOT 3D i-Cockpit®: Configurable 3D head-up instrument panel
- Smartphone Wireless charger (15W)
- Mistral full-grain perforated leather steering wheel with 'Adamite' green stitch detail and satin chrome 'GT' emblem
- Black Diamond Roof
- Electrochrome rear view mirror
- PEUGEOT Open & Go (Keyless entry and push button start)
- Aluminium pedals and aluminium front door sills with PEUGEOT signature

- WLTP data currently being approved. Minimum - maximum mixed WTLP CO2 emissions on the engine The CO2 emissions from the vehicle depend on the version selected as well as the options on the vehicle.
- **Dealer delivery related charges, metallic paint and tyre recycling levy not included.
- ***Includes SEAI grant and VRT rebate & Dealer delivery related charges, metallic paint and tyre recycling levy not included.

(1) The CO2 emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO_2 emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO_2 emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO_2 emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO_2 emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. More information on www.peugeot.ie

STANDARD EQUIPMENT

SAFETY

6 Airbags
Auto-adaptive front, lateral front, front & rear curtains

Front (x2) and rear (x3) height adjustable headrests

ESP Disconnectable with slope start aid and detection of indirect under-inflation

ISOFIX and Top Tether fasteners on rear side seats

Pneumatic troubleshooting Kit (Electric only)
12 V compressor with clogging cartridge

Spare Wheel Predisposition (without repair kit) (HYBRID)

3-claws LED rear lights

Alarm

ADVANCED SAFETY

Safety Pack
Cruise Control / Speed Limiter
Automatic emergency braking with collision warning,
Active alert of unintentional crossing of line and aisle,
Extended traffic sign recognition and speed recommendations,
Driver attention alert

INTERIOR AESTHETICS

Black cabin and roof lining

COMFORT

Automatic air conditioning with Pollen and Carbon activated filters

Electrical front and rear window lifters, sequential and anti-tapping

Visibility Pack
Low beam automatic lighting
Auto release windscreen wiper

EQUIPMENT DETAILS

Image for illustration purposes only

PEUGEOT i-Connect Advanced

PEUGEOT i-Connect Advanced(1) offers a complete technological experience with TomTom® connected navigation. For optimal readability, the card can be displayed on the entire 10-inch HD touchscreen and updated "live" (once a month). It is also fully and easily customizable with widgets, such as a tablet.
«OK PEUGEOT», a natural language speech recognition control, improves the safety and comfort of the user, and gives access to all the features. Finally, to help the user, PEUGEOT i-Connect Advanced offers embedded documentation and tutorials.

(1) Available as an option or unavailable depending on the version.

DRIVE ASSIST PLUS Pack

The Drive Assist Plus Package(1) allows you to manage driving semi-autonomously. With the track positioning system(2) and adaptive cruise control including the Stop & Go(3) function, it automatically adjusts the speed of the vehicle to that of the one preceding it, maintaining a safe distance.

(1) Available in series, optional or unavailable depending on versions.
(2) A system for maintaining the position of the car chosen by the driver in the lane.
(3) A system based on radar in the centre of the front bumper and a camera at the top of the windscreen.
