- \*\*\*Includes SEAI grant and VRT rebate

(1) The CO<sub>2</sub> emissions entered are mixed and expressed in grams per kilometre. The fuel consumption and CO<sub>2</sub> emission values provided comply with WLTP approval (EU regulation 2017/948). Since 1 September 2018, new vehicles are approved on the basis of the worldwide harmonised light-duty vehicles test procedure (WLTP), which is a new, more realistic test procedure to measure fuel consumption and CO<sub>2</sub> emissions. This WLTP procedure fully replaces the New European Driving Cycle (NEDC), which was the previous test procedure. As the test conditions are more realistic, the fuel consumption and CO<sub>2</sub> emissions measured according to the WLTP procedure are, in many cases, higher than those measured according to the NEDC procedure. The fuel consumption and CO<sub>2</sub> emission values may vary depending on specific equipment, options and types of tyres. Contact your point-of-sale for more information. ## EQUIPMENT DETAILS

### PEUGEOT i-Connect® Advanced

PEUGEOT i-Connect® Advanced offers a complete technological experience with TomTom® connected navigation. For optimal readability, the card can be displayed on the entire 10-inch HD touchscreen and updated "live" (once a month). It is also fully and easily customizable with widgets, such as a tablet.

«OK PEUGEOT», a natural language speech recognition control, improves the safety and comfort of the user, and gives access to all the features. Finally, to help the user, PEUGEOT i-Connect® Advanced offers embedded documentation and tutorials.

### Pack DRIVE ASSIST PLUS

The Drive Assist Plus Package<sup>(1)</sup> allows you to manage driving semi-autonomously. With the track positioning system<sup>(2)</sup> and adaptive cruise control including the Stop & Go<sup>(3)</sup> function, it automatically adjusts the speed of the vehicle to that of the one preceding it, maintaining a safe distance.

(1) Available in series, optional or unavailable depending on versions.

(2) A system for maintaining the position of the car chosen by the driver in the lane.

(3) A system based on radar in the centre of the front bumper and a camera at the top of the windscreen.

# PACK OUTLOOK

Pack Perspectives is a new way to drive a new Peugeot, including maintenance.

Want to drive a new Peugeot more often? Leave it to us.

## TO BENEFIT FROM IT, IT IS VERY SIMPLE

- 1/ You choose your Peugeot model (gasoline, HDI, electric or hybrid)
- 2/ You choose the duration of use (2, 3 or 4 years) and estimate the number of annual kilometers you need
- 3/ You choose the level of serenity that suits you best

## THE BENEFITS

- **A constant budget** You determine the amount of your rent.
- **No compulsory contribution** No amount to pay.
- **No trade-in** No old vehicle to sell back to us, unless you want to. In this case, it can allow you to pay less per month.
- **No resale** Peugeot takes back your vehicle at the end of the contract.
- **Noworries** In case of theft or wreck, the Financial Loss Guarantee (6) completes the reimbursement of your insurer and reconstitutes your capital. Your renewal is easy.
- **And what's more, there are no unforeseen events.** Peugeot Assistance is included in your contract. In the event of a breakdown, your Peugeot benefits from 24/7 assistance (2).

## SERVICE CONTRACTS

Pack Perspectives offers you optimal coverage for the duration of your contract. You choose the level of peace of mind:

- **The Extended Warranty Service Contract** (2) covers mechanical, electrical or electronic failures beyond the contractual warranty period, including parts and labor.
- **The Maintenance Service Contract** (3) covers operations related to your vehicle's maintenance plan recommended by Peugeot as indicated in the maintenance booklet, as well as the replacement of wearing parts, including labor (excluding tires).
- **The Warranty and Maintenance Service Contract** (2) (3) corresponds to the Extended Warranty Service Contract + Maintenance Service Contract.
- **The Privilege Service Contract** (4) is an optional optimal coverage. You benefit from a vehicle that is guaranteed and maintained for the duration of your contract.
